Willkommen Dubai! Dubai World Trade Centre and AccorHotels debut 25hours Hotels, the first of its kind in the Middle East

Dubai, U.A.E: AccorHotels, the world's leading travel & lifestyle group and Dubai World Trade Centre LLC (DWTC) have today announced the first 25hours Hotels property outside of Europe. The game-changing disruptive hospitality brand, which was conceptualized in Germany, is set to make its debut for the first time ever in the Middle East with the 25hours Dubai Hotel.

The 434-room property, which will become the largest 25hours Hotel worldwide, is expected to open by 2020. 25hours Dubai Hotel will be located in DWTC's One Central development, which is a premium mixed-use lifestyle destination. With the project's first two phases completed ahead of its delivery schedule, One Central showcases a discerning mix of sustainable commercial assets, diverse hospitality offerings, residential sites and an iconic multi-purpose theatre. These elements will create an exciting lifestyle and entertainment destination at the heart of Dubai's central business district.

25hours Dubai will become the first upscale addition to an existing 1210-room cluster of AccorHotels' award-winning economy and midscale brands at the DWTC complex.

Christoph Hoffmann, CEO, 25hours Hotels explained: "The 25hours Hotel for Dubai is an exciting first on many levels. Apart from being our first destination outside of Europe, it is the first development in cooperation with our partner AccorHotels and will be the largest hotel for the brand. At the moment we are at a stage where we are learning a lot about a new market and culture, as we hope to cope with the regional climate. 25hours Dubai Hotel will be a unique hotel reflecting the spirit and international attitude of Dubai."

His Excellency Helal Saeed Almarri, Director General of Dubai World Trade Centre Authority (DWTCA) said: "Through the DWTC Authority and our business-conducive free zone ecosystem, the One Central development delivers a destination proposition that emphasises Dubai's global status as a progressive, hyperconnected, competitive hub for businesses to efficiently operate and scale expansion plans across the wider EMEAA region. One Central's distinctiveness lies in its ability to equally deliver a powerful lifestyle value proposition with an eclectic diversity across its hospitality and entertainment portfolio, along with DWTC's core MICE sector propositions.
