overview

How do you rewind video tapes again? How do you even take selfies with an instant camera? Which side of the record has to face upwards? And how do you write in italics on a typewriter? With SUPERSENSE, we’re rediscovering all of these beautiful things that have been forgotten over the last few decades. The Analogue Upgrade is a journey through time, back to when technology was made by hand and it helped our senses to fully concentrate on the actual experience: how music actually sounded, the bright flash on a Polaroid camera, the smell of freshly typed letters and the noise of a tube television.

pop-up
The patterns have been returned to the drawers, the sewing machine is now gathering dust. And the most important thing: The first collection is ready to wear. Before you take it to Milan, Paris, or London, how about your own pop-up at one of our 25hours Hotels? Even the biggest designers started small and unconventionally and presented their pieces to the public. Or is there a new product launch in the pipeline? Thanks to our locations in the major cities in Germany, Austria, and Switzerland, the potential customer base is already present and won’t miss your pop-up.

product launch
From lip balm, to the new novel series, right up to sports cars packed with horse power - good ideas need effective launches in order to have a successful start on the market. The 25hours locations are as diverse as the products unique. Be it big and grandiose or cozy and small - do you already have a brilliant idea and your breakthrough is within reach? Maybe you still need a little inspiration.

press conference
Your press appearance really needs to make waves? To do this, not only the product has to be right, but also the venue. At our 25hours Hotels in Germany, Austria, and Switzerland, we offer personalised solutions for the perfect setting. Classic conference rooms with seating, cozy lounges with a fireplace or a panoramic view over the city - whatever suits your product or target groups best, we’ll work together to host the perfect press conference.

assessment centre
Let’s get down to business. Which of the applicants is potentially the right candidate for a management role? Individual or group assessments, management audits, or an evaluation assessment centre - when discretion has the top priority, we’re the right choice. Even just for a cozy get-together at one of our restaurants or bars - there is a personalised solution for all kinds of requests. And the possibilities are endless at the 25hours Hotels.

fotoshooting
The new lookbook for the coming season needs to be shot? The next edition of the magazine has a feature on Berlin? Zurich or Hamburg? The photographer is booked, but the matter of the right location hasn't been resolved? Our 25hours Hotels, with their individual hotel concepts, offer tailored spaces for photoshoots with a passion for detail. Whether it’s in a bathtub with a view over the Vienna MuseumsQuartier, on the roof terrace at the 25hours Hotel Bikini Berlin with a view of chimpanzees and elephants, or in the colourful, urban world of the 25hours Hotel Frankfurt The Goldman in Frankfurt’s east end. Our hotels are as diverse as the fashion and culture themselves.
