

The COMPANION Aperitivos is a product of the crazy year 2020. They are intended to bring people back together in good company. Our classic, Sicilian Orange, is based on organic oranges from the socially committed Si Può Fare Bio cooperative. They are bitter-fresh basic ingredients for a traditional Spritzer. His brother, Amalfi Lemon is made from distilled, gigantic Amalfi lemons. It is exotic, experimental and goes best with a selected tonic.

#### APERITIFS
