Story	25hours Hotels
Location	25hours Hotel Indre By is located in the heart of Copenhagen's city centre with direct access to the pedestrian street Købmagergade, next to the Round Tower and close to Kongens Have and Kongens Nytorv. The famous harbour Nyhavn is only a short walk away. Guests can reach Nørreport railway station after 300 metres. Direct connections to the airport are available from there.
Hotel	243 rooms in a complex consisting of four buildings (one new building and three existing buildings), some with their own terrace/garden access. Until 2017, the former university building housed, among others, the faculties of theology and law, but before that it was already one of the first office buildings in Europe in the 16th century and from 1775 also the Royal Porcelain Factory and from 1885 a printing works and paper mill.
